45 VACATION WEEK CALENDAR

RESORT CLASSIFICATIONS

Our Bluegreen resort portfolio is divided into two categories, but regardless of which category a resort is listed in, we can assure you a friendly staff and an environment perfect for vacation fun. We look forward to seeing you at a Bluegreen resort soon — and often!

Club Resorts

Club Resorts are typically developed and/or managed by Bluegreen Corporation. Although facilities and amenities may differ depending upon resort location, you can be assured of a warm welcome, excellent personal service and charming, comfortable surroundings.

Club Associate Resorts

Club Associate Resorts were not originally developed by Bluegreen, but are included in the resort portfolio to expand the choices available to Bluegreen Owners in a variety of attractive vacation destinations. Most Club Associate Resorts have limited availability; therefore, we recommend early reservations to increase chances of availability.
